The newsletter of the Cascade Orienteering Club

January-March 2002

## Election Results

Your BOD for 2002 is: **Don Atkinson, Don Denbo, Debbie Newell, Jan Urban, and Kean Williams.** The Board of Directors approved the officers and coordinators listed below. Although we still do not have a President, the board feels we can operate successfully without one for the time being (OK, we don't have a choice).

## Meet Volunteers Sought

As you've probably noticed, each of our meets requires several volunteers in order to ensure it runs like a well-oiled machine and we are always looking for people to help out. If you don't feel confident enough to try directing a meet or setting courses, offer to help out at the registration, start, or finish areas. All of these jobs require minimal training and only take an hour or two at the meet. To volunteer, contact the Volunteer Coordinator, Kean Williams (425-931-3036, keanwill@yahoo.com).

## The Ultimate Orienteer Series

The third edition of the Ultimate Orienteer series begins in March. This year we plan to offer 5 different orienteering styles, adding a Night-O to the previous formats: Short-O, Score-O, Classic-O, and Long-O. On the longest course at each UO event, you receive points based on your finish placing, and your best 3 scores will be added together to determine the male and female "Ultimate Orienteer." See the schedule page for Ultimate Orienteer events.

## COC Captures Cascadia Cup

Six intrepid navigators from Seattle's Cascade Orienteering Club ventured north of the border to B.C. to partake in the Cascadia Cup on Sept. 15th and 16th.

Saturday's competition on the Mountain Meadows map near Logan Lake was an event with two person teams running simultaneously. Each member of a team would run a short loop and a long loop. The combined times of the members of a team would determine their placement in the several categories offered. The best overall team placements would win the coveted Cascadia Cup.

The Cascadia Cup is the brainchild of Canadian elite orienteer Martin Pardoe, developed to promote friendly interclub rivalry in the region. Cascade's teams of Ken Lew & Ardis Dull, Don Atkinson & Eric Bone and Kean Williams & Rick Breseman each placed first or second in their divisions, leaving Cascade tied with defending champion GVOC (Greater Vancouver Orienteering Club). John Chatwin, Meet Director/ Course Setter par excellence, made the executive decision

to award the Cup to Cascade, by virtue of a 1st place finish on the longest course. You, as a Cascade member, are eligible to keep this elegant award as a showpiece

(l-r): Rick Breseman, Ken Lew, Eric Bone, Ardis Dull, Kean Williams, and Don

in your home. Simply send your email request to the address noted below.

Sunday's event was held at Joyce Gulch near Kamloops, with terrific, unique, and challenging courses set by Alan Stradeski. Advanced orienteers had the option to take on as many as 3 loops and 11 kilometers with map exchanges in the field. Courses were designed with similar but different legs. The key was to stay hydrated & to be alert "in the circle." Thank you to John & Alan for their fine work, and to all the BCers for their hospitality.

## COC Takes Third at US Relay Champs

COC's relay team of Eric Bone, Bill Cusworth, Jennifer Knowles, and Jan Urban took third place at the US Relay

(l-r) Bill Cusworth, Jan Urban, Eric Bone, and Jennifer Knowles, 3rd place team at the US Relay Championships

the Bay Area O' Club came in second in 136:49, and Cascade narrowly edged out a second Bay Area team by 2 seconds to take the third spot.

Individual club members also performed well at the "A" meet on December 8, with Jennifer Knowles (F35), Ardis Dull (F50), and Linda Moore (F60) winning their categories, Eric Bone (M21) and Eileen Breseman finishing 2nd in their categories, and Jan Urban coming in 3rd in M35. For complete results, see the LA O' Club website ([http://www.geocities.com/Yosemite/Trails/6320/la\\_results.html](http://www.geocities.com/Yosemite/Trails/6320/la_results.html)).

Championships December 9 at Vasquez Rocks in southern California.

## Order a Club O' Suit

We are currently taking orders for custom club o' suits from Trimtex (of Norway). The plan is to receive them in time for this summer's Asia Pacific Orienteering Carnival (familiarily known as APOC), which is scheduled for July in Alberta, Canada.

Below is the design of the suit. The color scheme is green, navy, yellow, and white. The suits are made of a special light-weight, tear-resistant fabric. You will be able to order suits at the next few events, or you can order one from Jennifer Knowles (253-845-6588, [jsknowles@msn.com](mailto:jsknowles@msn.com)).

If we get enough orders (90 pieces), a full suit will cost about \$70. You don't have to order a full suit—you can order just a top or just a bottom. If we get fewer orders than 90 pieces, a full suit will cost \$80-\$85. We'll be taking orders through the end of March, so don't wait.

## Eric Bone Honored by USOF

Not only has Eric Bone been chosen by the US Orienteering Federation to receive its Sullivan Award nomination, but he has also been named the USOF Male Athlete of the Year for 2001.

### Sullivan Award

The Sullivan Award, presented annually since 1930, is given to

the outstanding amateur athlete in the U.S. Nominees must not only achieve outstanding competitive results, but also demonstrate leadership, character, sportsmanship, and the ideals of amateurism. Eric had excellent competitive results in 2001 (see below). On the non-competitive side, he contributes much to the sport as USOF's Vice President for Competition and as a member of the US Team. He also contributes on a local level as Vice President and Training Coordinator for Cascade. This is Eric's second Sullivan Award nomination, the first being in 1999.

### Male Athlete of the Year

Eric was also selected as USOF's Male Athlete of the Year for 2001. This award is based on competitive results. Eric had a very successful year in 2001, winning 5 national-level orienteering events, finishing second at the US Short Course Championships, third at the US Individual Championships, and taking second place in the trials to select the US team to the World O' Championships. Eric participated in the World O' Championships in Finland last year, placing 40th in the Sprint race.

For more information about the above awards, see the US Orienteering Federation web site ([www.us.orienteering.org](http://www.us.orienteering.org)).

## August - Canoe-O

### Ballard Bike-O – August 19, 2001

Meet Director/Course Design: Harvey Friedman  
Start/Finish: Harvey Friedman, Anne York  
Control Pickup: Harvey Friedman, Anne York

After a hiatus of roughly 10 years, Cascade Orienteering Club again offered a bicycle-O meet on our Ballard Bike-O map (which was produced in 1982). Due to the Ballard farmers' market occupying our traditional start/finish in the bank parking lot, we met at the SW corner of the Ballard Community Center block on NW 60th St. & 28th Ave. NW under an aromatically-blossomed tree (no one could identify it). A big advantage to this location was that we could use the rest rooms in the community center.

Twelve individuals and 3 pairs took part either by bike or on foot on this beautiful day. Permanent markers were used such as the house number on the NE corner of an intersection so people were required to carry a writing instrument to answer the trivia question found at the control location. This was a good exercise in concentration because there were so many handrails but relocation was difficult if one lost contact with the location on the map.

### Walla Walla Community College - September 22-23, 2001

Sacajawea Orienteers

Course Setter & Meet Director: Frank Skorina  
Control Pickup: Steve Rapp, Erik Skorina, Matt Skorina  
Saturday Participants: 22  
Sunday Participants: 17

This meet was originally schedule for Bennington Lake but the Mill Creek Project Area (which includes both Rooks Park and Bennington Lake) was closed after the terrorist attacks. The Mill Creek Project Area is a flood control project consisting of an intake channel, a lake, and a dam. Water is diverted from Mill Creek during heavy melts filling the lake, saving the City of Walla Walla from destructive floods. This last happened in 1996, putting much of the map underwater.

The meet was easily scheduled to a new venue. Walla Walla Community College is located adjacent to the Mill Creek Project area (the maps overlap), and signage is essentially the same. I made the map in August for Kids College, interesting courses (such as French, Acting, and Orienteering) for third through eighth graders, that WWCC holds periodically.

### Sacajawea Park, Pasco - October 6-7, 2001

Sacajawea Orienteers

Score-O with 18 controls

Participants: 19

Course setter, control setting, pickup, report (i.e., everything) by Ivar Husa

This was a thoroughly enjoyable event, with warm fall weather for most of the participants. It was cooler Sunday morning. There was much sunshine, for which we are famous. We tried a new format (for us), a score-O where beginners may choose any 5 controls, intermediates any 10 and advanced any 15.

It was our pleasure to discover that most of our first-time orienteers chose to find many more than the minimum 5 controls- some collecting 15, qualifying as advanced course participants. Some of the neophytes tackled medium green terrain (slow going), and significantly \*off trail\* place-ments to collect their punches. Way to go!

Score-O's are not new, but 'giving people permis-sion' to come in after finding a few controls (such as 5 or 10) seems like a good idea. This format doesn't suggest that participants to stay out for the typical hour we have allowed for a normal score-O event, perhaps making it 'beginner friendly'.

Special congratulations to Frank Skorina, who turned in the fourth fastest time for the event (edging out Holly and Russell)... while finding ALL the controls, even rehanging one that had been disturbed by other park visitors.

### Chamna Natural Preserve, Richland - November 3

Sacajawea Orienteers

Meet Director, Course Setter: Michel Billaux  
Control pick up: Frank Skorina, Ivar Husa, Roman Kotecky and Michel Billaux

November 3 was a nice autumn day, sunny with higher than normal temperature. Thirty-two people participated in a "Score-Orienteering" competition. Roman Kotecky came from Seattle. Roman is the father of Ondrej who, with Milan Jirasek, came from Tchequia to make the field work of Chamna Natural Preserve in July 2000. Eighteen controls were distributed on the map to test the sagacity of the competitors. There was no limit of time.

### Lincoln Park, West Seattle November 17

Meet Director: Don Atkinson, Katie Sprugel, Eric Bone

Course Setter: Doug Sprugel  
Registration: Eileen Breseman, Katie Sprugel  
Starts: Jan and Matti Urban, Rick Breseman, others  
Finishes: Don Atkinson, JROTC parents, Ben and Doug Sprugel, others  
Beginner Instruction: Eileen Breseman, Eric Bone, Peter Golde  
Control Pick-up: Jennifer Knowles, Margie Bone and parents, Doug and Peter Sprugel

Weather: Clear, sunny and cool (amazing!)

We had a phenomenal turnout for the meet.  
Thanks to all who recycled their maps so that everyone could use a premarked map.

### Pt. Defiance Park, Tacoma -

#### December 15

Meet Director: Jon Campbell

Courses: Jennifer Knowles

The Point Defiance meet went well, and I would first like to thank everyone who contributed to make the meet a success. Jennifer Knowles set five enjoyable courses, and Don Atkinson, as usual, had a well-oiled finish crew.

Don Denbo managed the chaos of WIOL registration without a hitch, and Rick Bresemann and Jan Urban got the start area functioning well. Boy Scout Troop 294 (from St. Charles in Tacoma) helped with some setting and with the registration. And, Bremerton High School was there en masse to provide the depth of helpers to round out the crew. And, my final thanks to the Cascade "regulars" for pitching in wherever they saw the need, as I fumbled through my first meet here as a meet director.

By my count (and I am no mathematician), we had a handful of new club members register (or renew membership), and we had the following counts on courses:

	Public	WIOL	Total
Course 1	12	3	15
Course 2	12	13	25
Course 3F	6	19	25
Course 3M	0	63	63
Course 4	45	0	45

for a grand total of 173 participants, which seems pretty good for a rainy Saturday in December!
